

Chapter 8

Archives Policy

8.0. Policy Statement

The Archives collects and preserves key Africa University and United Methodist Church (UMC) publications and related resources which are deemed to be of historic and research value. The primary purpose of this policy is to help in the collection and preservation of records created and held by Africa University and the UMC in Africa in all mediums.

For full policy please visit the Africa University Intranet site or email: librarian@africau.edu.
