Branch Libraries Policy

7.0. Policy Statement

Africa University Library supports the learning and research activities of the University. This Policy shall serve to standardise and guide the establishment, operational functions and maintenance of Branch and Satellite Campus Libraries. In this policy, Branch Libraries refer to all Libraries, Documentation and Information Centres established outside the Jokomo / Yamada Library on or away from the main campus.

For full policy please visit the Africa University Intranet site or email: librarian@africau.edu.
